

Picture of you

Joe Brown
arr. Peter McDonald

[D]In the night there are [C]sights to be [A]seen
[D]Stars like jewels on the [C]crown of a [A]queen
[G]But the only sight I'm gonna [A]view
Is that [D]wonderful [G]picture of [D]you.

[D]On a streetcar or [C]in the ca-[A]fé
[D]All of the evening and [C]most of the [A]day
My [G]mind is in a maze, what can I [A]do
I [D]still see that [G]picture of [D]you

[F#m]It was last [Em]summer, [F#m]I fell in [Em]love
[F#m]My heart told [Em]me what to [A]do
[D]I saw you then on the [Bm]crest of a hill
And [G]I took a little picture of [A]you.

[D]Then you were gone like a [C]dream in the [A]night
With [D]you in my heart, my [C]love and my [A]light
I [G]didn't know your name, what could I [A]do?
I've [D]only a [G]picture of [D]you. ([G])

Repeat from "It was last...", then finish with:

That [D]wonderful [G]picture of [D]you [G]
I'm [D]left with a [G]picture of [D]you, oh [G]yeah
That [D]wonderful [G]picture of [D]you.
